I have the honour to state that as reported in my letters Nos.C.165 dated 21-8-1943 and F.43 dated 11-9-1943 one of the Ford Chassis obtained under Lease/Lend arrangements has been handed over to Mr. V. Sundara Murthy, President, Vellum Parachute Silk Co. Ltd., Goribidanur. Mr. Sundara Murthy has now written to me that this truck may be taken back as he finds it very difficult to get drivers and mechanics. A copy of letter dated 24-11-43 to me is submitted herewith for the information of Government. I request instructions whether this truck may be taken back and allotted to some other filature which is in need of the same.

Mr. Sundara Murthy states in this letter that the Military Trucks to be allotted to him may be supplied to him with drivers. I am afraid it is not possible for Government to give the services of Military drivers along with Military Trucks.

That is why under these difficulties we requested you and Mr.Target to give us Military Trucks with Drivers. We shall be very glad if you will kindly let us know when we shall return the truck back to you.

I have received a telegram from Mr. Targett stating that he has sanctioned 6 military trucks for our use as per our telegram dated 23rd instant. We want now for our immediate use at least four trucks with drivers.

Sir,

Subject : Lease/Lend Vehicles :

With reference to your letter No.W 1350 dated 14-12-1943, stating that the Residency have intimated that the Government of India (War Transport Department) have released one 15 Cwt. Army Type Ford Chassis from Bombay, for allocation to Messrs. Vellum Parachute Silk Co., Ltd., Bangalore and directing me to instruct the Company to pay the price of the Chassis to Messrs. Webb's Sales & Service, I have the honor to state that I had requested the President, of Vellum Parachute Silk Co.,Ltd., Goribidanur, to pay the price of the Chassis and arrange to take delivery of the same.

He has said now that he does not want this light van.

A light van is urgently necessary for use at the Government Silk Filature, Kankanhalli, for transporting cocoons and silk, etc. and I had requested the Director General of Supplies, New Delhi to kindly arrange for the supply of one early. (vide my letter No.2628 dated 3-11-1943, to the Director General of Supply, Textile Directorate, New Delhi and copy submitted to the Chief Secretary to Government of Mysore, Bangalore, with No.2630 dated 3-11-1943) One of the heavy duty trucks that had been retained for the Government Silk Filature, Kankanhalli, out of the first two Lease/Lend vehicles supplied to Filatures, was recently handed over to the Mysore Silk Filatures Ltd., T. Narsipur, as such a heavy truck was not found necessary for use at the Government Filature, Kankanhalli.

The price of the 15 Cwt. Chassis as intimated in your letter No.W 1350 dated 14-12-1943, is Rs.4,750/- plus delivery charges ex-centre of distribution. There is a provision of Rs.5,000/- for a station wagon in the estimates of costs for the Filature at Kankanhalli, sanctioned in Government Order No.D.5309-74/Seri 143-41-10 dated 17-2-1943. The light van of 15 Cwts. referred to above will be purchased for the Government Filature, Kankanhalli. I may be kindly authorised to purchase the light van as it will be suitable for work at the Government Silk Filature, Kankanhalli and there is urgent need for it, as cocoons required for work in the Filature are to be transported from round about villages.

I request instructions whether the price of the Chassis may be paid to Messrs.Webb's Sales & Service, to enable the purchase order in respect of the Chassis being obtained from the Residency.

I have the honour to be,
Sir,
Your most obedient servant,

One chassis was allotted to the Mysore Silk Filatures. The Purchase order which was received recently was sent to the Ustad for Necessary action.

The Resident has since intimated that the requirements of the Various Silk Filature Concerns may be met out of the State quota. It is proposed to allot 4 Chassis for the Concerns and as such there does not seem to be any need at present to transfer the Chassis already received by the Govt Silk Filatures to the Mysore Silk Filatures. The Manufacture & distribution of the Chassis out which 4 are proposed to be reserved for the Filatures. Is submitted for orders.

The Chief Secretary to Government, in his letter No.Pol.1163 dated 5th March 1943, requested the Secretary to the Hon'ble the Resident in Mysore to supply two heavy duty trucks to the Mysore Silk Filatures,Ltd., T-Narsipur. In letter No. Pol.1921 dated 26th March 1943 the Secretary to the Honible the Resident was requested to supply four heavy duty Ford chassis to Vellum Parachute Silk Co.,Ltd. and one Chevrolet truck to the Mysore Spun Silk Mills,Ltd. No indent was placed for heavy duty truck for the use of the Government Silk Filature at Kankanhalli, as it had been decided that a light van or a big car would be sufficient ~~and could be sufficient~~ and would be suitable for work in Government Filature,Kankanhalli in view of the condition of the roads to be traversed.

On 5th August 1943 information was received by me on phone from the office of the Chief Commandant, Mysore State Troops, that two heavy duty lorries had been received and arrangements should be made to take delivery of the same. I reported in my D.O. No. 928 dated 6th August 1943, as per instructions of the Minister for Revenue and Law, one of these lorries was handed over to the Vellum Parachute Silk Co.,Ltd. and the other was taken to Kankanhalli for the Government Filature. It was found subsequently that this heavy duty (3 tons) lorry was not suited for work in the Government Filature Kankanhalli and no indent for such a lorry had been
